Beautiful home! Thank you for helping us create wonderful family memories!!

★★★★★ **5 of 5**

We thought this home was beautiful and the view is amazing! This being our first experience renting a house, we thought it was a simple, easy and great experience! No doubt we will be renting again soon! We have 2 year old twins and this worked out great! We made wonderful lasting memories and cannot wait to do it again! Thank you!

Amazing Home!

★★★★★ **5 of 5**

This house felt like home the second we walked in the door. This was the perfect place to have a girls weekend away. We woke up early to catch the sunrise and just had to step on the patio for the fantastic view! Plenty of room for 6 women. I can't wait to go back again!

Most Gorgeous View on the Central Coast!

This home has been completely renovated and is gorgeous. It comfortably slept our group of 6 friends with plenty of space. The home is well kept and clean. We woke up each morning to a gorgeous view of Morro Rock and the ocean. You can even sit at the window seat and drink your coffee. It sits on the top of the hill but is close to town and sightseeing options. We will definitely book this place again!

I want to live there!

A beautifully renovated home in a fabulous hilltop neighborhood. Our family of 6 (large sized) adults were very comfortable with the 3 roomy bedrooms and 3 baths. Loved working in the kitchen with the outstanding view of Morro Rock and miles of coastline. It was an excellent choice for our family reunion, we will return.

First class property. From the furnishings to the linens to the decor it is top notch. The home is clean and comfortable and the views are incredible. We enjoyed watching the the sunset each night from the deck. We are 3 couples who love to cook and ate in each night. The kitchen was nicely equipped and had everything we needed including sharp knives, a wine opener and a gas range with lots of BTU's. We thoroughly enjoyed our stay and can't wait to return.
