Everything was great!

★★★★★ **5 of 5**

We really enjoyed our stay at the Andros house. Just a short walk to the beach, which is amazing. Hardly anyone on the beach. which is wonderful. We'll be back! Thanks!

Everything was thoughtfully prepared with guests in mind, as if they knew exactly what we needed and were wishing us well. I have no complaints at all!

It was great for our family, just the right amenities and so comfortable. Loved being so close to the beach. The patio is adorable and the beds/sheets/towels were wonderful. We would like to book this again. Thank you!

We wanted a quiet relaxing place to spend a few days away from home. We love Morro Bay for that! We found renting a house for our family is what we should have been doing the other times we stayed in Morro Bay! This house was very clean and the entire property very neat. About 2 blocks walk to the beach. We loved it and want to stay again in the summer hopefully. The location is really quiet and beautiful. You can see Morro Rock from the master bedroom window. This location will definitely be stored in my Home Away app for future Morro Bay vacations!! We also found the customer service at Urelax Vacation Rentals was awesome! Thank you all for the nice property and awesome experience for our family!!!
